National Security Agency/Central Security Service

18 April 2013

Information Paper

(S//REL to USA, FVEY) Subject: NSA Intelligence Relationship with Sweden

(U) Introduction

The FRA provided NSA (…) unique collection on high-priority Russian targets, such as leadership, internal politics

(U) What NSA Provides to Partner

(U) What Partner Provides to NSA

"What Partner provides to NSA
Unique intelligence on Russia"

(U) Success Stories

Cyber:

Thank Sweden for its continued work on
the Russian target,
and underscore the primary role
that FRA plays as a leading partner
to work the Russian Target,
including Russian leadership, (…)
and (…) counterintelligence.
FRA's cable access has resulted in
unique SIGINT reporting on all of these areas.

Russia:
