Oh Yeah…

- Put Money, National Interest, and Ego together, and now you're talking about shaping the world writ large.

What country doesn't want to make the world a better place… for itself?

SECRET//REL TO USA, FVEY

What's the Threat?

- Let's be blunt – the Western World (especially the US) gained influence and made a lot of money via the drafting of earlier standards.
  - The US was the major player in shaping today's Internet. This resulted in pervasive exportation of American culture as well as technology. It also resulted in a lot of money being made by US entities.
